the workplace  
rehabilitation specialists

Getting people back to employment post injury or illness.

 **employment**  
*Options*

Getting you back to work quickly after injury or illness with personalised support from your own Employment Consultant.

## Established in 1994, Employment Options identifies employment opportunities and provides support to assist people with obtaining and maintaining employment.

Through its Disability Management Service, Employment Options offers job seekers and employers:

- Functional capacity evaluations, physical assessments or other assessments to determine a person's abilities.
- Referrals to allied health professionals such as physiotherapists, occupational therapists, pain management specialists or psychologists.
- Assessment of current workplaces, and assistance with applying to the Workplace Modifications Scheme for equipment that includes physical or environmental workplace adjustments, including:
  - Office chairs
  - Specialised footwear (pedorthics)
  - Pressure-relieving mats
  - Height-adjustable desks
  - Leg braces
  - Headsets etcNote: These can be specific items of equipment or modifications to existing items
- Information and advice on supporting an employee.
- Free on-site assessment to ensure a smooth transition to work, and to identify any future support that may be required, such as further training.

Please phone Employment Options for any further information on **07 3391 2044**.
