

## 2011 Inclusive Community Champions Awards Selection Criteria

### Selection Criteria:

**Context:** These awards are focused on inclusion of all users, not disability exclusively.

1.  
The nomination must identify the 'inclusive' element of the nomination.
2.  
The nomination must give substance as to how the nomination maximises the social or economic performance (or both) of the region.
3.  
Will more locals and visitors to the region be able to participate in the community as a result of the nomination?
4.  
Were there technical or financial difficulties to overcome to offer an 'inclusive' outcome?
5.  
Has the nomination influenced attitudinal change within the community?
