'Your legacy will bring this Centre to life.'

Cairns centre a chance to return home for Luke

For me, the most exciting part of the construction of the Spinal Life Healthy Living Centre in Cairns is the opportunity to return home to my friends and family.

I sustained a spinal cord injury in a motor accident in 2015. The rehabilitation services I needed and still need, are not available in Cairns, so I had to move to the Gold Coast.

Once the Centre is complete, I am hoping to return home and continue my rehabilitation work there. I've made some great progress, but I would definitely rather be in Cairns, I grew up in Cairns; it's home for me.

I'm very much looking forward to the Centre's completion so I can finally return home.

A big thank you to Spinal Life Australia for making this happen.

Luke Crawford
