

# OCCUPATIONAL THERAPY

Our Occupational Therapists focus on promoting your health and wellbeing by working with both the physical and social aspects of your life, as part of a holistic approach. Our Occupational Therapists will work with you towards achieving your goals.

## How we can help you

There are several reasons why you may benefit from seeing an Occupational Therapist, these include:

- Improving your daily living skills
- Increasing functional capacity
- Conducting seating and postural assessments
- Sourcing and determining the right assistive technology for you
- Conducting functional assessments
- Consulting on home modifications
- Driving assessments and vehicle modifications
- Undergoing pressure mapping and pressure risk reduction.

## Experience the Spinal Life difference

You're in safe hands! Our Occupational Therapists offer specialised insight, expertise and professionalism to help you live your life your way.
