

PLAN MANAGEMENT

Spinal Life Australia's Plan Managers are an experienced team who can assist with the financial administration and management of your NDIS Plan.

How we can help you

When partnering with Spinal Life as your Plan Manager, you can feel confident we're following all the right processes and procedures to ensure you are compliant with the NDIS price guide.

You choose the supports and services that work for you and decide from both registered and non-registered providers for delivery of your services.

We handle the administrative tasks, freeing up your time and removing the stress of managing your NDIS budget so you can get back to what's important, enabling you to have more time to do the things you love!

Experience the Spinal Life difference

At Spinal Life, we want you to get the most out of your NDIS Plan. Our Plan Management service is at *no cost* to you. We can even track your budget for you and we're always just a phone call away if you need us. That's what makes us different.

Where do we offer Plan Management?

We provide this service throughout Australia to people with an NDIS plan.
