

## Our NDIS Services Price List

The below prices reflect the [NDIS Pricing Arrangements and Price Limits for 2023-24](#) and are subject to change. These prices include a Temporary Transformation Payment (TTP) of 1.5%. Spinal Life Australia is eligible to charge TTP and it supports providers who meet specific criteria, including registration to the NDIS Quality and Safeguards Commission, to continue transforming towards a more competitive marketplace, without compromising quality of service.

\* The Social, Community, Home Care and Disability Services Industry Award 2010 (the Award) requires active hours be paid during a Sleepover shift when work is carried out at the request of a client. The Award also requires a 4-hour Personal Support shift to accompany any Sleepover shift.

\*\* Includes the cost of two active hours.

A two-hour minimum applies to all scheduled supports. The above rates are fully inclusive of support worker wages and costs (payroll tax, superannuation, insurances, WorkCover training, etc) and administration. All rates exclude GST.

Two days' clear notice must be given to change or cancel a shift. Where this does not occur, and we are unable to find a replacement shift for the impacted personal support worker, the shift fee may be charged.
